

Derbyshire Mini League

Cross Country

Match 1 Information

Venue: The Rutland Sports Park, West End Drive, Ilkeston (AVAC's training base)
People may know it as the County Cricket Ground, close to the fire station, bowling alley and golf course (all local landmarks).

Date: Saturday 17th November 2007

Time: First race 11am

Facilities: Plenty of parking; changing rooms, toilets and showers within the Pavilion; hot drinks machine in foyer.

The course: Mainly a flat course run on grass, some short inclines. Constructed around the football / cricket pitch and nearby parkland.

NB:

- Please check the www.dcaa.org.uk website in the run-up to the event for last minute details or any changes. Changes are very likely due to conditions at each venue eg after very heavy rain.
- Each fixture will go ahead in all weather conditions (including snow) providing running surfaces are deemed suitable. Organisers will always endeavour to find an alternative venue if the weather looks likely to affect the grounds.
- £1 per athlete. Clubs and schools will be billed for the total in the weeks after the final fixture. We strongly suggest that clubs / schools collect their £1's from each runner before each match.
- Clubs and schools must pay the affiliation charge to the league on, or before, the first match in the series. Cheques should be made payable to Derbyshire AA , £15 per club or school, or composite school team (see below).
- All athletes must wear club / school colours.
- Primary schools are encouraged to link with one secondary school to form a composite team. The composite team (1 primary + 1 secondary) would then be eligible for overall team awards after the 3 fixtures.
